

Leadership Hall County Nominations Class of 2018-2019

The Greater Hall Chamber Leadership Hall County program provides a learning experience for existing and emerging leaders of the Greater Hall area. Participants of the program are given the opportunity to develop an understanding of Gainesville and Hall County. Participants include a cross-section of individuals representing all industries in Hall County. Participants develop knowledge of the community through a series of one-day sessions, July through April with graduation being held in May. Topics covered include natural resources, agriculture, quality of life, education, healthcare, social services, city and state governments, judicial services, teambuilding, and economic development. There is additional homework required to deepen community networking as well as a group project to complete.

Tuition for each participant is \$900 for Chamber members and \$1,100 for non-Chamber members plus a one-year Chamber membership for their company. Nonprofit tuition is \$700. Each participant is responsible for paying his/her own tuition. Fees are used to cover materials, monthly program expenses, retreat, graduation reception, and graduation plaque.
