ONLINE FORUM

finding connections in
a time of isolation

Substance use disorder is said to be a “disease of isolation,” so how can we stay balanced during this time of social distancing? Join us as a community panel discusses their challenges, successes and lessons learned in recovery during the pandemic.

HOST & PANEL MODERATOR:
Jordan Hussey, CPS-AD
Executive Director
J's Place Recovery Center

THE INCREASED USE OF OPIOIDS, HEROIN, AND ALCOHOL DURING THE PANDEMIC

Deb Esposito, CPS-AD, CPS-WH
CARES Peer Recovery Coach,
Georgia Council on Substance Abuse
Northeast Georgia Community Connections
