WHAT

Brasfield & Gorrie is currently preparing to solicit subcontractor proposals for the Northeast Georgia Medical Center Gainesville Campus Expansion project. You can [read more about the project here](#). Representatives from the Brasfield & Gorrie project team, preconstruction managers, and executives have produced an online presentation to share more details.

Brasfield & Gorrie is an equal opportunity employer. Our focus is to provide contracting opportunities for local trade contractors, vendors, suppliers, laborers and MWBE/DBE owned firms in and around Gainesville, Georgia.

Brasfield & Gorrie strongly encourages all subcontractors to watch this event, however, it is not mandatory in order to provide a bid for this project.
