

Spotlight on Gainesville-Hall County

October 2021

Gainesville and Hall County has it all.....

... robust logistics and infrastructure, numerous workforce initiatives and multiple higher education opportunities, ample building and sites available for new and existing businesses, comprehensive state-of-the-art medical facilities, and an abundance of tourism attractions including Lake Sidney Lanier.

Join us as an advertiser as we feature Gainesville and Hall County in the upcoming October 2021 issue of Georgia Trend magazine. This is your opportunity to capture the attention of Georgia's business leaders, travelers, visitors, and the next generation of entrepreneurs and professionals.

You'll reach over 52,000 subscribers and more than 160,000 readers. The Greater Hall feature is included in the print and digital editions with links to advertiser websites.
