

Gainesville, Hall County Area Schools

COLLEGES AND UNIVERSITIES

University of North Georgia, www.ung.edu

With over 18,000 students, UNG is the state's seventh-largest public university. As a liberal arts school, UNG offers more than 100 programs of study ranging from certificates and associate degrees to professional doctoral programs. One of only six senior military colleges in the nation, UNG is designated as a State Leadership Institution and as The Military College of Georgia. The UNG Gainesville campus is located in Oakwood.

Brenau University, www.brenau.edu

BU is a private institution that enrolls students in graduate, undergraduate and doctoral studies on campuses and online. The Women's College of Brenau University offers women the opportunity to develop leadership skills through programs designed especially for them. In the co-educational Undergraduate School, also located on the Gainesville campus, students study literature, history, and science, but also focus on values, leadership and service.

Lanier Technical College, www.laniertech.edu

As a unit of the Technical College System of Georgia, LTC offers technical certificates, diplomas, and two-year degrees. In addition, the college also serves over 15,000 students in Economic Development Programs and Adult Education. The college also offers GED and ESL diplomas and is located on GA 365 North.

Interactive College of Technology, www.ict.edu

ICT offers diplomas in Business Information Management, Automated Office Systems, Accounting, and an Associate of Science degree in Office Technology. The college educates students in the occupational arena as well as providing ESL & GED diplomas to students from over 100 countries.

PRIVATE SCHOOLS

Lakeview Academy, www.lakeviewacademy.com

Known as a leading independent, college-preparatory day school, learning community that challenges children to reach further than they thought possible. School culture encourages students to take educational risks and understand that failure is a critical step along the path to growth, success, and becoming a lifelong learner. PreK-12th grade are offered. Day school only.

Riverside Military Academy, www.riversidemilitary.com

Training young men to reach their full potential, providing a challenging education and individualized attention in a safe, structured environment, empowering students to prepare for success in college and in life. Every aspect of life as a cadet is designed to encourage exceptional academic achievement and personal growth. 6th-12th grades are offered for boys only. Residential and day.

Lanier Christian Academy, www.lanierchristianacademy.org

“Partnering with parents to transform tomorrow’s Christ-centered, servant leaders; equipping students spiritually, mentally, physically, and socially to become fully devoted followers of Jesus Christ.” 1 of only 2 schools in the US that offers a traditional and university model on one campus. Accredited through the ACSI, Cognia and UMSI. K-12th grades are offered.

Sisu, www.mysisu.org

Formerly Challenged Child and Friends, Sisu offers an integrated learning environment where children from 6 weeks to 6 years with special needs learn and interact alongside their typically developing peers. They believe in fostering a courageous approach to life nurturing every child to reach his or her full potential. Day school only.

Elachee Nature Center School, www.elachee.org

Nature-based learning allows children flexibility for exploration and problem-solving, which builds social skills, including teamwork. Inquiry-based curriculum exposes students to concepts that go beyond basic Georgia learning standards’ requirements. Outdoor instruction represents over 75% of each school day. PreK-3rd grades offered. Day school only.

Maranatha Christian Academy, www.mcageorgia.com

Fully accredited through the Georgia Association of Christian Schools. Class sizes are limited in number to provide the best education in Hall County. MCA offers a safe, controlled, disciplined, and loving Christian environment for your child as they invest in and grow “Christian Critical Thinkers” for tomorrow. K3-12th grades are offered. Day school only.

Academy of Innovation, www.aoiga.com

AOI is a 501(c)(3) accredited school with a personalized and positive approach to teaching children. A full-time day private school, they complement our community’s educational system with innovative approaches and proven research-based teaching methods to individually address the needs of students facing learning barriers. 1st-12th grades offered.

Chattahoochee Christian School, www.chattahoocheechristian.org

CCS is a private Christian school basing their lesson plan development and curriculum choice from the Bible and then the Georgia Performance Standards. *Positive Action for Christ* is supplemented with materials from the Bob Jones University Press. Students participate weekly in Chapel, Spanish, art, PE, and music. K-8th grades offered. Day school only.

Gainesville Homeschool Academy, www.gainesvillehomeschoolacademy.com

GHA is a co-op Christian school serving homeschooling families. Their mission is to impart knowledge and a love of learning from a Biblical perspective. Children enjoy interesting field trips, school-wide presentations, special programs and lots of fellowship opportunities. University model. K-7th grades are offered.

Specialty Schools:

Howard E. Ivester Early College, www.iversterearlycollegehallco.org

An innovative, dual enrollment campus for academically ready high school students to earn a high school diploma while also earning college credits. In partnership with Brenau, Lanier Tech and UNG, this program is open to qualified Hall County juniors and seniors.

Lanier College and Career Academy, www.lcca.hallco.org

LCCA is a state-of-the-art facility unlike any other high school in the nation. LCCA is a blend of student-run, self-sustaining business enterprises open to the public, while also including industry-certified classrooms for instruction. Open to 9th-12th graders for full or partial (through CTAE) enrollment.

The Foundry, www.alc.hallco.org

Students who have been chronically disruptive or adjudicated through the tribunal process can continue their education here. An educational environment with a focus on character development and an academic curriculum that provides students with tools to be successful in the classroom, workplace, and community is the focus.

Other Public School Districts:

Mountain Education Charter High School, www.mymec.org

MECHS is an evening, self-paced, public, high school that grants regular Georgia High School Diplomas. Credit recovery is also available to transfer back to the home high school. There is no charge for full-time students.
